## Applications sought for **Board Members**

Cranleigh Arts Centre Limited, (a company limited by guarantee and a registered charity), provides a rich variety of entertainment, artistic exhibition, learning and performance to all ages of the community and villages around Cranleigh and has done so for 40 years.

The Board provides governance and strategic guidance to the staff team supported by a large number of dedicated volunteers and ensures that Cranleigh Arts achieve its mission and goals. The role is unpaid and involves around eight board meetings in Cranleigh per year plus any amount of time that can be volunteered to special projects or subcommittees of the Board.

The Board seeks new members (non-executive Directors of the company) to maintain its full complement. We are looking for people committed to the arts, who can contribute effectively to the board and have the skills and knowledge necessary to move us forward. Experience in the arts, business management, IT and finance, fundraising or the promotion of an artistic or charitable enterprise would be welcomed.

An early informal discussion can be had with the Chairman, **Mr Robert Wild** (01483 278142 outside office hours)

**Applications** outlining relevant experience should be made by email to the Chairman, Cranleigh Arts Centre, writing "Directors" in the subject box to:
